

Summary of Questions to President Bowles:

HealthCare

1. Who oversees Blue Cross/Blue Shield?
2. Is there an Oversight Committee?
3. What categories or procedures drove up the prices so much?
4. What can we do to help bring down the medical insurance costs?
5. How well is our insurance managed in comparison to other medical insurance?

SEANC

1. Staff on all campuses are very concerned about the statements being made by SEANC and the impression that SEANC is speaking for all state employees, what can be done to counter this?

Retirement/Budget

1. For those of us who are planning on retiring this year, would there be a consideration to give full retirement so that the position can be vacated early (June 30) to possibly get someone in the position that would make less money or show the position as open for budget purposes?

Reduction In Force Policies

1. With updates being done on the RIF policies are there procedures in place to ensure that the policies and procedures are handled in a fair and equitable manner?
