Area 1

Shayna S. Long
Shayna has worked tirelessly on Niner Nation Gives and Crowdfunding, organizing multiple fundraising efforts for both giving programs -- each with numerous touch points -- and doing so in a positive, cohesive and appreciative manner. Niner Nation Gives encompasses the entire campus and is designed to reach alumni. It is a 6-month long process that culminates during Founder's Week and the effort she has shown is remarkable. As an alumnus, I appreciate her work, dedication and enthusiasm for my University and for Advancement. She is a great example of "can do" and "get it done" with a great attitude.

This afternoon a female student experienced a problem with her nose bleeding. The student was in the women's room, and she needed help. Gloria Escobar
Colvard zone was very short staffed without the evening lead tech. We also had an event clean up scheduled in Robinson Hall. I called Candis Robinson the Library Zone supervisor to ask for some assistance. She sent over Gloria Library Zone Lead Tech who lead the Colvard team during the event clean up. Gloria did this without complaint. I received compliments about the cleanliness of the theater for the night performance.
Thanks a lot Gloria!!!!!! You are awesome and lead by example in the area of team work!!!!!!!!!

Chris Facente and his Automotive Team
On the morning of Sept 21st, when my Director arrived at work, he noticed that 4 of the Parking and Transportation vehicles had been vandalized. We immediately called Chris Facente from Facilities and the Campus Police. Chris and his team (Robert Robinson, Matthew Martin, Leroy Crawford and Jim Green) immediately showed up and had all 4 vehicles up and running by 12:45pm on the same day! This was above and beyond all expectations. They were all courteous and understood the urgency of getting the vehicles up and running. We did not expect such a fast turnaround. The service was exemplary. The efforts of Chris and his Team reflect the professionalism and Dedication which makes UNC Charlotte great!
